

MAINTENANCE OF WAY

Your New Career

Have you ever dreamed of building something amazing, the chance to create something bigger than yourself? Consider a career in Maintenance of Way. You'll be the one connecting communities, one rail tie at a time. You'll be inspecting, maintaining, and repairing rail lines on FrontRunner and TRAX. Not to mention, you'll get to operate some pretty cool vehicles and equipment — hi-rail trucks, cranes, power machines, tampers, forklifts, and more. Your workplace will be the great outdoors where you can enjoy all four seasons. No stuffy offices, no dingy restaurants, and no ringing call centers. Your office is out in the open air where you belong.
